Thank you for your support this holiday season.

This year, Good Dads has spread like wildfire.

Your year-end gift will help us keep the fire burning across the state (and beyond) in 2026.

42 schools in the state now use **Good Dads Strong Schools** because they know dads are crucial to student success.

19 community chapters have joined the Good Dads network in Missouri—with three or four more joining very soon.

Facilitators across the state led 77 classes this year for **New Pathways for Good Dads** participants.

429 men working hard to be Good Dads enrolled in the **New Pathways** program in 2025.

This year, 183 businesses, individuals and organizations have stepped up to support the **Good Dads mission**.

Coming in the new year...

We're excited to launch a brand-new program, **Good Dads Plus Us**, which will allow us to serve couples for the very first time. Your continued support will ensure we can provide this much-needed resource—because everyone deserves healthy, happy relationships.

Your much-needed donation this holiday season helps us continue to fan the flames of responsible fatherhood.

Help us keep the flames aglow by supporting the Good Dads mission. Make a secure donation online by scanning the QR code or heading to **gooddads.com** and clicking on **Donate**. We also gladly accept checks, cash and over-the-phone payments.
